Bring Your Own Computer Portal 2019

Welcome to our online purchasing portal for parents/caregivers of ACE, Year 10, 11 & 12 students of the College. The College is still negotiating special education deals on laptops through our preferred partner.

We advise parents to purchase from our preferred partner as the laptop will be pre install with all the necessary software and 3 years onsite warranty.

We will keep you updated in a week.

Minimum specification of laptops for students who decide to bring their own laptop

- . Windows 10 based device only
- . Processor : Intel core i3 or above. (No Atom, Pentium or Celeron)
- . Processor : AMD A-series or above
- . Memory : 4GB or above
- . Storage : 128GB SSD or HDD or above
- . Screen size : 13" or above
- . Must have keyboard
- . Must have Wi-Fi

Should you have any further question please contact Seow Lay the College IT Manager on 5783 0300.
